1. Review the priority list as discussed at previous workshop. Discuss and decide whether this list reflects what the group decided. (take a few minutes to review photos provided by Bob G.)

2. Review the in-park amenities and discuss and decide what those priorities are. (review notes from last workshop) List them.

3. Discuss overall project scheduling and potential phasing as related to available, common sense funding and make recommendations on same. (review last year's CIP Spreadsheet)
